GUIDELINES FOR DUAL AND/OR CONCURRENT COURSES

Concurrent and/or dual courses may be taken provided student receives prior approval from campus principal.

Credit toward state graduation requirements may be granted for dual enrollment courses only as follows:

- Students must meet with counselor.
- Students must receive principal approval prior to enrolling in dual courses taken during the summer.
- All dual enrollment forms must be submitted to Science Academy prior to enrolling at the University.
- If a student fails to complete the dual enrollment course for a specific high school course before the beginning of the school year in which the student would ordinarily be required to enroll in that course in accordance with the school district's prescribed course sequence, the student must then satisfactorily complete the course at Science Academy to receive credit.

*As per STISD Board Policy, approved dual courses shall adhere to the STISD GPA/ranking guidelines.
